Groom Room Information

1. GVH offers grooming appointments Monday- Saturday.
2. Pet requiring sedated grooming must meet with the Doctor to discuss the procedure. This can be done on the same day.
3. In order to best protect your pet we require vaccinations be updated prior to your pet's visit with us. Gibraltar Veterinary Hospital follows the vaccine standards set by the American Animal Hospital Association; standards are set for the protection of all pets entering our facility.

Canine:

- Distemper 4/5 way (1 or 3 year), given **10-14 days prior** to admittance
- Rabies (1 or 3 year), given **10-14 days prior** to admittance
- Upper Respiratory (Bordetella, Parainfluenza, every 6 months), given **48 hours prior** to admittance
- Negative Fecal Screening (every 6 months)

Feline

- Distemper (1 or 3 year), given **10-14 days prior** to admittance
 - Rabies (1 or 3 year), given **10-14 days prior** to admittance
 - Negative Fecal Screening (every 6 months)
4. All pets must be free of external and internal parasites (fleas, ticks, etc.) or they will be treated at the owner's expense.
 5. When bringing your pet in for grooming they will be staying with us for 2-3 hours and we will call you when they are ready to go home. Pets with longer coats or more extensive grooming needs may have to stay with us for 3-4 hours. Groomers will call you as soon as your pet is finished.

Thank you for choosing Gibraltar Veterinary Hospital for your pet grooming needs.
